

10<sup>th</sup> March 2021

Abacus minutes from BBW

3:21 welcome to abacus

Covid safety reminders

This year new events

- skills training: white card, asbestos, first aid, skills passport
- Skills workshop with CASS: help sign things off in the skills passport
- Project forum: first one 22nd of March
- Mid year we have the conference and exhibition happening: if you have research you'd like to present on any topic related to the abacus acronym please get involved
- Please pay the membership fee!!
- Thinking about bringing back an abacus magazine so if you have any essays or work you'd like to be featured please email it through
- Looking for a graphic design artists you can do the front cover
- You can post on the fb page, if you find a workshop ou want to share with everyone
- The fishbowl is the abacus base which is located to the left of the door of the banks building coming from the area with the silver ball
